Ace of Hearts - Level 7

The Ace of Hearts is the founder of the Suits. Using his power to swap skills with people, he was able to rise quickly through the criminal underworld by taking people's skill in martial arts, crime planning, and any other skills he considers useful. He is a dangerous combatant, boasting a mastery of a wide array of fighting styles, while also being an expert at stealth and subterfuge.

King of Spades - Level 6

A supervillain with the power to mold terrain around him. He uses it to create pits under his enemies as well as to create cover against attackers outside of his range.

Queen of Diamonds - Level 5

One of the leaders of the Suits, the Queen is Spades is covered with a layer of crystal. Using her crystals, she can absorb and focus ambient light into beams of concussive light. She also has the ability to project hard light surrounding herself as a shield, though this drains her energy far faster.

Jack of Clubs - Level 4

The Jack of Clubs is the newest member of the leadership of the Suits. The Jack of Clubs wears a power suit that appears to be made out of an old forklift. Using his power suit, the Jack of Clubs can strike and lift with incredible force, while also being defended from harm.
